

# MERCK MORE Than a Mother

Together we create a culture shift

## MERCK HEALTH MEDIA TRAINING 2019

**Theme:** Role of Media to break the stigma around infertility and infertile women in Zambia and rest of Africa

# SAVE THE DATE

18th February

08:00- 15:00

Intercontinental,  
Hotel, Lusaka,  
Zambia

Merck Foundation to conduct Health Media Training in Zambia. It is designed to benefit the journalists in understanding the infertility issue in African communities and to learn the best media practices to cover such issues and raise awareness by following international standards of reporting and media ethics.
